Auction Terms & Contact Information: When you click on Enter Auction, look near the top of the page, below the red banner with the auction title but above Featured Lots and select the appropriate icon for desired information.

Tips for Desktop: Click on any photo to enlarge or scroll left or right to desired photo by clicking with your cursor or using the arrows on your keyboard. If you click it again the photo will enlarge even more. You can drag the enlarged photo around to view different areas or use icons in the upper right corner to Zoom, Full Screen Share and Close.

Watch List: Login and click the Red Eyeball at the bottom of the lot to add an item to your Watch List. Click on an individual lot and scroll to User Links near the bottom to view All Watched items, even if they're from multiple auctions.

Tips for Mobile Devices: Click on photo to access all photos for that lot and scroll left and right to view. Click again to enlarge and scroll or pinch to zoom in and out for super close up views. Use icons in the upper right corner to view Full Screen, Share and Close photo OR slide the enlarged photo up to remove it from view.

Select Red Button for Previous Lot or Next Lot or select Back to Catalog at top of screen to view all lots stacked in order.

Watch List: Login and click the Red Eyeball at the bottom of the lot to add an item to your Watch List. Click on individual lots and scroll to User Links near the bottom to view All Watched items, even if they're from multiple auctions.

Contact Us: Go to the Home Page or at the bottom of any lot you are viewing and fill in the form. We are new to this and there will no doubt be more to come. If you discover any tips or have any (helpful) suggestions, please contact us using the form or send your tips to Email@AuctionGrooVe.com
