Description

Child's cuff bracelet. About 2 ½ " in diameter. 1 band of silver, stamped "sterling" on the inside, about 3/8" wide. Possibly Navajo work (?) Small stamped & engraved stylized "feather" design, with black background setting off polished silver elements, and with 1mm small, engraved circular rings between each feather. Set with a row of seven 3mm cabochons of dark blue-green turquoise, with granulated silver decoration on the band of the bracelet and above and below the band of the bracelet. Small square designs at either end of the bracelet, with black background centered by a polished silver circle,
